Medical mental health

## Property Details

This project is a 3,140 s.f. reception and exterior renovation of the current building. The description is characterized as a lobby expansion, receptionist expansion, and intake room expansion. This project entails demolition, relocation of current operations with employees in a temporary office space, renovate the existing area in process, and then repopulate the new space with operations once finished. Final steps will be to demo the temporary office space and complete the job.

## Lincoln Trail Behavioral Health

The project is designed and built by Lichtefeld, Inc. partnered with Luckett & Farley
