

THANK YOU

Susan and I would like to thank you for your donation so I could participate in the Ride to Conquer Cancer.

As I reflect back on the ride, I would like to share some of my thoughts with you - the scenery was beautiful, the course (especially the hills) were challenging and the reward of completing the ride was very fulfilling. Most of all, the people I was cycling for and in honor of inspired me to complete the journey.

Thanks again for your generous support and words of encouragement and I hope that in some small way my effort will help in the search for a cure for cancer.

John Allen
